

Bulk Water Sales Procedure

Effective, 7/24/2023, the Water Treatment Plant will no longer be the source for Bulk Water Supply. Customers will now need to go to the Utilities Maintenance Building located at 528 S Bibb St Westminster SC 29693. Customers should contact the Water Distribution Supervisor, Mr. Terry Reed at 864-247-7114 anytime Monday-Friday 8:00am to 5:00pm to schedule an appointment. Customers will need to give 1 hour notice before arriving at the Utilities Maintenance Building.

Bulk Water Customers must pay for water in advance at City Hall, located at 100 E Windsor St Westminster SC 29693. City Hall hours are Monday – Friday 8:00am to 5:00pm. City Hall has the rate schedule.

After a customer has pre-paid for bulk water, City Hall will contact Ms. Connie Baty at the Utilities Maintenance Building to inform her that a customer has pre-paid for bulk water. Ms. Connie Baty is the administrator for Bulk Water Sales.

All customer water tanks must be equipped with an air gap on their tank before any bulk water will be provided. The Utilities Maintenance personnel will provide a 1 ½" water hose. It is the customer's responsibility to provide and needed adapters.

Please direct all questions and or concerns to Mr. Terry Reed. His contact number is 864-247-7114
